

Principal Profile

Principal Name: The Nature Conservancy

Business Or Interest: Federal government agencies, such as the EPA, USDA, USAID, DOI, NPS and DOD as well as agencies at the state and local level. We work with companies large and small to help change business practices and policies, raise awareness of conservation issues, and raise funds to support important new science and conservation projects. The Conservancy works with other like-minded organizations, ranging from large non-profit conservation groups like Conservation International and NatureServe, to local land trusts. The Conservancy works in cooperation with private landowners and local stakeholders, such as ranchers, farmers and fishermen, to ensure good ecological management while continuing to support the local economy. The Nature Conservancy depends on partnerships with indigenous people and local communities to conserve some of the most biologically critical and threatened ecosystems on Earth.
